blowing, blowing through clouds,

C

which are really just your dreams at night

Dm

your eyes are the stars

C

your hand is mars

Bb

holding, holding me out to fly

C

and I no longer have this great fear of heights, fear of heights

(Chorus)

F

Cm

and Jupiter has got nothing on you

Bk

the universe does no justice to just what you do to me

C

it s like breaking but waking the inside of me

F

Cm

and the milky way is but only a galaxy

Bk

shine through me like the moon

C Dm C Bb C

baby Jupiter s got nothing on you

Dm

C

suddenly I m lost in this dark sky (dark sky)

Вb

I m no longer dreaming of blue skies

C

I m wrapped up in the night

```
I don t mind, I don t mind
                              Cm
cuz Jupiter has got nothing on you
the universe does no justice to just what you do to me
it s like breaking but waking the inside of me
and the milky way is but only a galaxy
shine through me like the moon
                            F Cm
baby Jupiter s got nothing on you
Вb
ohh
Bridge:
Вb
lift me up high
let be with the sky
gracefully rise
slow to sing I ll be
Gm
I m on your mind
when I m drifting around the rings of Saturn
           Cm
Jupiter, Jupiter
                        Вb
the universe does no justice to just what you do to me
it s like breaking but, breaking but
and the milky way is but only a galaxy
(fading)
PS: I m not really sure about the 2nd chord used during the bridge. F is the
closest one
I got... any suggestions? Thank you!
