Capo 1st

**(Am, G, F, C)**

Goodbye Ponds,  
We had a good run and I'll miss you so much that I can't,  
Look back now,  
Oh look you're gone, I can see that you'll miss me, we had a good run, oh,

This is the last second chance,  
you haven't overstayed your welcome yet,  
And still you seem to be gone,  
This is the last second chance,  
you haven't overstayed your welcome yet,  
And still you seem to be gone,

**(F, C, G, Am)**

Ponds, ponds, ponds,  
I'm gonna miss you when you're gone, gone, gone,  
At least you're now where you belong, long, long,  
I'm gonna miss you when you're gone, gone, gone,  
**(Am, G, F, C)**  
Goodbye Ponds,  
Are you ready, 'cause this is your final chapter,  
Amelia's last goodbye, and then you die,  
I don't know why, oh why,

**(F, C, G, Am)**

Ponds, ponds, ponds,  
I'm gonna miss you when you're gone, gone, gone,  
At least you're now where you belong, long, long,  
I'm gonna miss you when you're gone, gone, gone,  
(Repeat)

**(Am, G, F, C)**

Goodbye, Ponds,  
Goodbye, Ponds,  
Goodbye, Ponds,  
Goodbye,

Ponds, ponds, ponds,  
I'm gonna miss you when you're gone, gone, gone,  
At least you're now where you belong, long, long,  
I'm gonna miss you when you're gone, gone, gone,

(Repeat)
