

Kazia Leigh - Come Home

Misc Unsigned Bands

This is my original song, Come Home. I ve mainly put this up for me, so that I can have the lyrics and chords moving down the screen, but I d be happy if anyone would comment if you think it s good. I m going to upload a video of me playing it (because obviously it s no good if you can t hear the melody!) but bear with me until I ve perfected it:) thanks! Kazia Leigh
