Capo 1 (Click on transpose up 1 semi-tone on the left for the real chords)

Cmaj7 **G**
Did they chase you away?
Cmaj7 **G**
Did you hear what they said?
Em **Bm**
It it finds you inside, you'll never know where they hide
G
Can you live with that?

(Same Chords)
Did you fall so deep
Into a hole where you'll never sleep?
If they find you inside, you'll never find where to hide
I can't live with that

Em D G
So I'll be your parachute
Em D G
When you fall from the sky

(Same chords)
And I'll be your guiding light
When you can't find a place to hide

And I'll be your lifeboat
When yours fails to float

And I'll be your parachute
C D Em
When you fall
C D G
When you fall

(Verse Chords)
If they set you free
Would you ever need me?
If they find you inside, I'll never be far behind
You can live with that.

E C G
I'll follow you
G C G
I'll follow you

(Chorus Chords)

So I ll be your parachute
When you fall from the sky

And I ll be your guiding light
When you can?t find a place to hide

And I ll be your lifeboat
When yours fails to float

And I ll be your parachute
When you fall
When you fall

(Bridge)

G D C D

(Chorus Chords)

So I ll be your parachute
When you fall from the sky

And I ll be your guiding light
When you can?t find a place to hide

And I ll be your lifeboat
When yours fails to float

And I ll be your parachute
When you fall
When you fall

E C G

You ll know that I
