Intro: C Am Dm G

C Am Dm G
Am I still that little boy, stuck in a fantasy?
C Am Dm G
Why can't I get on with life, what is wrong with me?
F Am F C
I tried but I failed, to give my heart to you,
F Am G
But whatever I do, you won't love me.

C Am Dm G
I tried to write it in a letter but my pen ran out of ink.
C Am Dm G
I filled my basket up with paper; I just can't seem to think.
F Am F C
So I'll say it in a song to you; that's all I can do,
F Am F G
So I'll sing it in a song to you; This song's for you!

C Am Dm G
I love you; won't you love me too?
C Am Dm G
I love you; please love me do.
C Am Dm G
I love you; won't you love me too?
C Am Dm G
I love you; please love me do.
C Am Dm G F
I love you!

Dm Am Em G
I wrote this song for you, and that's just fine.
Dm Am Em F G
But if you never hear it, it's a total waste of time.

C Am Dm G
I could sing it down the phone or post it on the net.
C Am Dm G
Or I could stand beneath your window like in Romeo and Juliet.

F Am F C
So I've said it in a song to you. What's it gonna be?
F Am F G
So I've sung it in a song to you. Is it you and me?

C Am Dm G

I love you. Say you love me too.

C Am Dm G

I love you. Say you love me too.

C Am Dm G

I love you. Say you love me too.

C Am Dm G

I love you. Say you love me too.

C

I love you!
