King The Kid - Counting Down

CAPO 2

G
Slow down this is already more than I
D
Could have been prepared for
A
Even though I knew it all along
G **D**
No matter how deep I look into your eyes I know it
A
will end before you re out the door

G **D**
I should have noticed your heart beat
A **G**
drifting out of time from mine
D
you re holding your tongue
A **G** **Bm**
now I m swallowing my words, digesting
C
and I can t keep them down
A
it s more like razors coming up

G **D** **Bm** **A**
Rolling over, too many miles wore you out
G **D** **Bm** **A**
Undercover, reach in your heart to tear mine out
G **D** **Bm** **A**
You were wrong to say that you gave it a chance
G **A** **G**
You were always counting down

D **A**
Ooh ooh ooh ooh

G **D**
Remind me of the last log you threw onto the fire
A

Before you let it fizzle out

G

Sometimes, I ask myself

D

Why I m the only one refilling

A

Another battery run dry (3x)
