Verse 1:

**G2**  
I was down for the count  
**A**  
I was hurting  
**G2 A**  
Lost my faith baby, no hope, didn't know where I'm going  
**G2 A Bm Bm2**  
Felt so alone surrounded by fear  
**G2**  
So filled with empty  
**A**  
So worn and broken  
**G2**  
So glad You found me  
**A**  
You're what I needed  
**G2 A**  
Then my will to believe had returned to me  
**Bm**  
Made me free

Chorus:

**G2**  
Forget I could fly  
**A**  
You opened my eyes  
**Bm**  
I was so lost til You came, now You are my light  
**G2 A**  
It's clear cast out my fears  
**Bm**  
I realized that I'm letting go
