Many questions

Helpless tears run from my eyes

G C Em C
Telling myself that it s nothing

G Em D
I force to let it go

G C Em C
But until now my heart repetitively says no?

G C
It s still him I want to be close to

G D
It s still him i want to be near

G C Em C
I m very sure of that but I m asking

G C D
Am I that inferior to my fears?

Chorus:

You re all I need and no one else

G C

If you re not for me

Em D
then what s this dismay

G C Em C
I never thought this would happen

G C Em D
I never thought this would end this way
