Kristin Pasive Ftjeanne Nacianceno - Youre All I Need Misc Unsigned Bands

G I opened my eyes Em C I m so alone G C After you left me Em I m burdened to the bone G But moments have passed Em C Time flew by G C Many questions Em Helpless tears run from my eyes G C Em Telling myself that it s nothing Em D I force to let it go C Em But until now my heart repetitively says no? It s still him I want to be close to It s still him i want to be near G C Em I m very sure of that but I m asking G C Am I that inferior to my fears? Chorus: G C Em You re all I need and no one else It s all or nothing Em That s how i felt C Em No matter how many doors open up for me G I can tell you

D

Em

you re the only one I see G C Em I love you but you.. you don t know that You think I ve moved on It s hard to let you go We re so close yet so far Em C It seems so easy yet so hard G C If you re not for me Em D then what s this dismay G C Em I never thought this would happen Em C I never thought this would end this way G C Is it fear of getting hurt? Or fear of separation? G C Don t think of it please Em All we need is determination G C Em Someday somehow somewhere С G We ll get where we want to be С Yes Em D Just believe Don t give up on us C G This is just destiny s way to see

CHORUS

Em C G

This is just destiny s way to see

If you and I are really meant to be

C G D

If you and I are really meant to be

G {strum}
