F Bb
I opened my eyes
Dm Bb
I m so alone
F Bb
After you left me
Dm F
I m burdened to the bone

F Bb
But moments have passed
Dm Bb
Time flew by
F Bb
Many questions
Dm C
Helpless tears run from my eyes

F Bb Dm Bb
Telling myself that it s nothing
F Dm C
I force to let it go
F Bb Dm Bb
But until now my heart repetitively says no?

F Bb
It s still him I want to be close to
F C
It s still him i want to be near
F Bb Dm Bb
I m very sure of that but I m asking
F Bb C
Am I that inferior to my fears?

Chorus:

F Bb Dm Bb
You re all I need and no one else
F Bb
It s all or nothing
Dm C
That s how i felt

F Bb Dm Bb
No matter how many doors open up for me
F Bb
I can tell you
Dm C

you re the only one I see

F Bb Dm Bb
I love you but you.. you don t know that

F Bb
You think I ve moved on

F C
It s hard to let you go

F Bb
We re so close yet so far

Dm Bb
It seems so easy yet so hard

F Bb
If you re not for me

Dm C
then what s this dismay

F Bb Dm Bb
I never thought this would happen

F Bb Dm C
I never thought this would end this way

F Bb
Is it fear of getting hurt?

Dm Bb
Or fear of separation?

F Bb
Don t think of it please

Dm
All we need is determination

F Bb Dm
Someday somehow somewhere

Bb F
We ll get where we want to be
