Misc Unsigned Bands

F# B
I opened my eyes

Ebm B
I m so alone

F# B
After you left me

Ebm F#
I m burdened to the bone

F# B
But moments have passed

Ebm B
Time flew by

F# B
Many questions

Ebm C#
Helpless tears run from my eyes

F# B Ebm B
Telling myself that it s nothing

F# Ebm C#
I force to let it go

F# B Ebm B
But until now my heart repetitively says no?

F# B
It s still him I want to be close to

F# C#
It s still him i want to be near

F# B Ebm B
I m very sure of that but I m asking

F# B C#
Am I that inferior to my fears?

Chorus:

F# B Ebm B
You re all I need and no one else

F# B
It s all or nothing

Ebm C#
That s how i felt

F# B Ebm B
No matter how many doors open up for me

F# B

I never thought this would happen

F# B Ebm C#

I never thought this would end this way

F# B
