**C#m**

Just shoot for the stars

If it feels right

Then aim for my heart

If you feel like

Can take me away, and make it okay (yeah)

And it really makes me wonder about you

**C#m**

Baby it s hard

And it feel like you re broken in scar

Nothing feels right

**F#m7**

But when you re with me

I make you believe

Girl you really make me wonder about you

**A** **E**

I ve wasted my nights

**C#m**

You turned out the lights

**B**

Now I m paralyzed

**A**

Out on your corner in the pouring rain
