

**Kwoon - Schizophrenic**  
**Misc Unsigned Bands**

Song: Schizophrenic  
Artist: Kwoon  
Album: When The Flowers Were Singing  
Tabbed by: Mads V.

**Hm**

I woke up that day,

Unwell, With strange dreams

**Gm**

Of siamese twins,

**G#**

I was deep under ground,

It was strange,

So strange,

I was scared.

**Hm**

I was here,

And I heard,

Some sounds screaming

**Gm**

From the deep well,

**G#**

As something happened,

I was scared,

So scared,

It was strange.

**Hm**

No friends, no calls,

The sun is down,

**Gm**

Still waiting for the end of the day,

**G#**

And nothing happened,

I was scared,

I was scared,

**Hm**

I was scared.

**Ebm**

There s something wrong

Within my head,

**B**

I feel like as

**Ebm**

I am a freak.

**Hm**

Next day, fire, on the ground,

**Gm**

I ve been to the lake of blood,

**G#**

To meet the witch of my dreams,

She was here within my head.

**Hm**

Ghost days,

The fog was gone,

And the sun is crown,

The streets are green and

**Gm**

I m the king.

**G#**

What the hell am I here for?

I was scared,

So scared,

**Hm**

So scared.

**Ebm**

There s someone else within my soul,

**B**

**Ebm**

I feel as I am a freak.

**Ebm**

I ve seen the evil

**F#m**

In a mirror of bones.

Into my grave,

**Dm**

**F#m**

I ve seen this siamese twins.

**F#m**

I ve met the devil and

**Am**

he burned my eyes and

ate my brain,

**F**

**Am**

Then killed my family.

**Am**

I m torn,

I m scared,

I m hurt..

**Hm**

Please help me to

ease my pain again.

**G#**

I m a freak,

**Hm**

It is reality
