Kyle Guffey - Lose With Me
Misc Unsigned Bands

Capo 6

Bbm Bbm7 F#7 C# Ebm G# C# C#

```
         Bbm                      Bbm7      F#7                    C#
It s a lie to say that I have won in every game
                 Ebm       G#                     C#        C#
And you never let me forget,
                     Bbm             Bbm7                     F#7                      C#
But I ve been happy these days, I ve been dancing with every mistake
                 Ebm          G#        C#         C#
Thanks to you
```

Chorus:
```
             Ebm                   G#
Take a seat, stay with me
               C#                      Bbm
Cuz the minute that you leave oh I ll be
Ebm                  G#               Bbm          Bbm
Waiting on the sun to rise.
               Ebm              G#
You can t win all the time
               C#                      Bbm                   Ebm
Just the minutes on my mind so I am calling quits
G#             C#             C#
I m losing
```

Verse 2:

```
         Bbm           Bbm7      F#7                            C#
Well, you and I can t remember where we met,
             Ebm                      G#                                    C#
  C#
But I ll hold your hand even if I never shook it.
               Bbm                                        Bbm7
And I m hoping you found what you re looking for,
F#7                              C#                              Ebm             G#
    Bbm         Bbm7
I ve never really been here before Ooohoooo.

F#7                                                        Bbm              Bbm7
    F#7
    Stop my breath and make me stronger.
                                                            Bbm
Bbm7
Can I make you smile so you ll live longer?
```

Chorus

Bbm   **Bbm7**   **F#7**   **C#**   **Ebm**   **G#**   **Bbm**

                        Ebm   **G#**   **F#7**
You can t win if I m losing
                                   Bbm   **Bbm7**   **F#7**   **C#**   **Ebm**   **G#**   **C#**
So lose with me
