Misc Unsigned Bands

Capo 6

Bm Bm7 G7 D Em A D D

It s a lie to say that I have won in every game  
And you never let me forget,  
But I ve been happy these days, I ve been dancing with every mistake  
Thanks to you

Chorus:

Take a seat, stay with me  
Cuz the minute that you leave oh I ll be  
Waiting on the sun to rise.  
You can t win all the time  
Just the minutes on my mind so I am calling quits  
I m losing

Verse 2:

Well, you and I can t remember where we met,  
But I ll hold your hand even if I never shook it.  
And I m hoping you found what you re looking for,  
I ve never really been here before Ooohoooo.  
Stop my breath and make me stronger.  
Can I make you smile so you ll live longer?

Chorus

Bm Bm7 G7 D Em A Bm

You can't win if I'm losing
