Answer The Phone

By: Kyle "Rob" Wheeler

This is a song I made myself, take that society! It's really easy and it sounds better when you have the voice of the lead singer from Simple Plan. I hope you enjoy it! Gimme a good rating! >:P

Capo 1

Standard Tuning

Em

Hey there baby, can you pick up the phone?

C

It's me again, I guess your not home

G

I'm calling again to say it's all my fault, for you

C

A

Leaving me, and for tearing your life apart

(**A**) **G** **Em**

And I'm so sorry now

Em

Remember that note you gave me 2 months ago? It read

C

"Hold me tonight and don't let go"

G

I hung that same note right on my wall, and every

C

A

Note I got from you, I hung them all

(**A**) **G** **Em**

And their still there

C

I know you hate me, you made that clear, but I

G

Keep on trying to bring you back here

D

Everyone says that I'm just crazy, and they

G

A

Said that you'll never ever be my baby

(**A**) **G** **D**

But that's why I called because

C

G

I want you back, now and forever! Wanna

C **G**
See you smile when weâ€™re both together
C **G**
I miss those perfect memories, and Iâ€™ll
C **G** **D**
Always treat you right, so baby please

Em
