Just us Two

Words and Music by Larry Luvaul
Arranged by Larry Luvaul
2/3/2009

Chorus:

C **F** **C**
Like the hurricane that blew through
C **G** **C**
Our lives tumbled up and down
Am **G**
Through hard times and worry,
Am **G** **C**
Yea through hard times and worry, we always knew.
C **F** **C**
Against the world its just us two.

Verse 1

Am **G** **C**
The wind blows cold through the holes in the wall
Am **C**
Coldest weather I ever saw
G **Am**
North winds raw, move the baby again.
C **Am** **C**
The quilts on the wall sail out against the wind.
G **Am** **G C**
A scary way for us to begin

Verse 2

Am **G** **C**
Hard times and worry wont shake my love for you,
Am **C**
Home from work my bodys been used.
G **Am**
No words for all you do, but you dont whine.
C **Am** **C**
We fight to get ahead but we are always behind
G **Am**
Damn dog wont mind barks all the time

Music Break/Chorus:

C **F** **C**
Like the hurricane that blew through
C **G** **C**

Our lives tumbled up and down

Am **G**
Through hard times and worry,
Am **G** **C**
Yea through hard times and worry, we always knew.
C **F** **C**
Against the world its just us two.

Verse 3

Am **G** **C**
Rains every day, the muds here to stay,
Am **C**
Pressures of living dont go away.
G **Am**
People every day, are busy and rude.
C **Am** **C**
Neighbors rally round the yard and intrude,
G **Am**
Against the world its just us two.

Verse 4

G **C**
You mend my body and soul while I try,
Am **C**
Not to see the pain in your eyes.
G **Am**
Wish I d said how much I love you.
C **Am** **C**
We were young and did the best we knew how to do
G **Am**
Against the world its just us two.

Chorus:

C **F** **C**
Like the hurricane that blew through
C **G** **C**
Our lives tumbled up and down
Am **G**
Through hard times and worry,
Am **G** **C**
Yea through hard times and worry, we always knew.
C **F** **C**
Against the world its just us two.
C **F** **C**
Against the world its just us two.
