[Verse 1]

**E F#m C#m B**

(repeat for each line)

Those hardest to love need it most  
I watched our bodies turn to ghosts  
Such good friends, it has to end it always does  
That s the way life is  
Do we take that risk?

[Pre-Chorus]

**A** **B**  
And so it all boils down to this  
**C#m**  
We ve got our aim but we might miss  
**A**  
We are too fragile just to guess  
**A** **B**  
And I ve been in this place before  
**C#m**  
Fine as we are but we want more  
**B**  
That s human nature at its best

[Chorus]

**A** **E** **C#m** **B**  
What if we ruin it all, and we love like fools?  
**A** **E** **B**  
And all we have we lose?  
**A** **E** **B G# C#m**  
I don t want you to go but I want you so  
**C#m** **B** **A**  
So tell me what we choose

[Verse]

**E F#m C#m B**

Friends, I watched us as we changed  
The feelings in my headspace rearranged  
I want you more than I ve wanted anyone  
Isn t that dangerous?

[Pre-Chorus]

**A B C#m A A B C#m B**

The anticipation before the kiss  
Mirrored in my shaking lips  
Oh god I feel so unprepared  
The two of us so out of place  
My feelings written on my face  
Got what I want but now I m scared

[Chorus]

**A E C#m B**  
What if we ruin it all, and we love like fools?

**A E B**  
And all we have we lose?

**A E B G# C#m**  
I don t want you to go but I want you so

**C#m B A**  
So tell me what

**C#m B A**  
Tell me what we choose

**E F#m C#m B**  
What we choose

**E F#m C#m B**  
What we choose

**A E C#m B**  
What if we ruin it all, and we love like fools?

**A E B**  
And all we have we lose?

**A E B G# C#m**  
I don t want you to go but I want you so

**C#m B A**  
So tell me what

**C#m B A**  
Tell me what
