No Capo

**B**

I can t control my feelings

**B**

I can t control my thoughts

**E**

I m staring at the ceiling

**E**

Wondering how I got so caught

**G#m**

You re completely off limits

**F#**

For more reasons than just one

**E F# B**

But I can t stop

**B**

You re aware of my existence

**B**

But you don t know I m here

**E**

You re the centre of attention

**E**

You control the atmosphere

**G#m**

You re so busy being busy

**F#**

I don t want to interfere

**E F# B**

But I can t stop

**E B**

So I ll remain

**G#m F#**

Within your reign

**E B F#**

Until my thoughts can travel somewhere new

**E F# G#m**

My mind is blind to everything but you

**E F# B**

And I wonder if you wonder about me too

**B**

If you were to stop talking

**B**

I don't know what I'd do

**E**

The future's far less daunting

**E**

Walking into it with you

**G#m**

So drink til you can't think

**F#**

And pretend I'm what you'd choose

**E F# B**

Cause I can't stop

**E B**

So I'll remain

**G#m F#**

Within your reign

**E B F#**  
Until my thoughts can travel somewhere new

X2

**E F# G#m**  
My mind is blind to everything but you

**E F# B**  
And I wonder if you wonder about me too
