Verse 1:
(Guitar 1 repeat pluck throughout Verse 1)

Let them play something
Let them loose
Voices locked up inside
Let them sing something
Give em something to do
And...

(Guitar 2 strums chords)
G
Could we lose ourselves in a song?
Gaug
Could we lose ourselves for a minute or two?
C
Could we lose ourselves in a moment?
Cadd9 (hold)
If I lost myself, could you lose you?

Verse 2:
(Guitar 1 continue intro pluck)

If you took a step

You could do this, too
