Light The City - Translations Acoustic Misc Unsigned Bands

Translations (Acoustic) Tabs/Chords

Tabbed by Spencer Newton (Me)

Video of Me Playing/Singing the Song: http://www.youtube.com/watch?v=vUWcyTPbb2s

Standard Tuning (EADGBe)

Played the same way on the electric, but put a capo on 1st fret for correct key. The acoustic is played without the capo.

Note: Whenever I say play the F chord, play the barre version.

Bb Gm F

Hey, you re running around in circles

Eb Bb

Facing routines around again

Gm F

And I know what you re up to, I found you

Eb

You hide in the same place, everytime.

```
(Chorus)
Tell me was it worth it
                          Gm
To leave yourself in the hands of the liar while I
Wave the red flag
               Eb
                             Вb
Tell me was it worth it, at all
                Gm
                         F
To see what your life was like without me
        F
Вb
               Eb
Ohhhhh-ohhhhh-ohhhhhhhhhhh

Вb
                   Gm
Eyes will see it, hearts will feel it
We re moving something that you ll regret
Bb
                       Gm
Know inside you will, never walk alone again
                           Eb
And its the last time I ll ever let you go
(Chorus)
