VERSE

(**F** major)

I take it in stride one day at a time,

(**D** minor)

If I ask no questions I hear no lies,

(**Bb** Major)

How come blessings only come in disguise,

(**D** minor) (**C** major)

I try to emphasize as I vocalize,

(**F** major)

Aint nothin gunna get between me and my flow,

(**D** minor)

Aint nothin gunna come between me and my afro.

(**Bb** Major)

My man just left what do ya know,

(**D** Minor) (**C** Major)

Easy come easy go,

(**Bb** Major)

He came out of the blue,

And went right back into it,

(**C** major)

He had to forfeit cause he couldnt get with it,

(**Bb** Major)

Called it quits and when he split

(**C** Major)

He said he didn t have time

For my juvenial bull shit,

CHORUS

(**F** Major)

I ve had enough failed relationships

(**C** Major)

I don t get far cause I m not equiped

(**Bb** Major) (**D** Minor) (**C** major)

I believe that the world should revolve around me
