С
To anything and everything that makes me feel alright
You say that I m afflicted
But you don t know the half of it, I m cracking up inside
And my eyes are red, wanna stay in bed
I ll wake up when it s time to do it over.
Εm
My eyes are red
I ll stay in bed
          D
But I am not afflicted
My eyes are red
But I m not dead
        D
So I can carry on
My eyes are red
I ll stay in bed
But I am not afflicted
Em
