

Liz Ball - What Will Be Left When I Open My Eyes  
Misc Unsigned Bands

G D Em C  
Why will this dream never end?  
G D Em C  
Am I conscious or is this just in my mind?  
G D Em C  
I don t remember anything  
G D Em C  
Before I felt like this, what happened to my life?  
G D Em C  
It slipped away, while I was dreaming  
G D Em C  
Took all my sadness and regret  
G D Em C G  
And now I lay in this empty room surrounded by these empty faces  
D Em C G D  
Looking at me, wondering if I m there inside at all  
Em C  
There inside at all.

G D C  
Don t wake me up, I m fine  
Em D C  
I wanna sleep till it s alright  
G D C  
I m a world away from all awareness of pain  
Em D C  
I m in an everlasting night.

G D Em C  
I have so much that I should say  
G D Em C G  
But my detachment from reality is something I won t fight  
D Em C  
Cause it keeps me hanging on  
G D Em C G  
Am I ashamed of it, I m taking the easy way out  
D Em C  
And I don t know what s wrong in my head  
G D Em C  
But this is not supposed to be  
G D  
Should I let it go?  
Em C G  
Or try and fix it? What is right and what is easy  
D

Never the same

**Em**                      **C**                      **G**      **D**  
Wish I knew the answers to it all  
                 **Em**      **C**  
Answers to it all.

**G**              **D**              **C**  
Don t wake me up, I m fine  
         **Em**              **D**              **C**  
I wanna sleep till it s alright  
         **G**      **D**                      **C**  
I m a world away from all awareness of pain  
         **Em**      **D**              **C**  
I m in an everlasting night.

**G**                              **Em**  
Yeah, it s just like heaven  
         **C**  
Sweet oblivion  
         **D**  
My escape  
         **G**  
I m there  
         **Em**  
Forever distant  
         **C**  
Yet persistent  
         **D**  
In my escape.

**G**              **D**              **C**  
Don t wake me up, I m fine  
         **Em**              **D**              **C**  
I wanna sleep till it s alright  
         **G**      **D**                      **C**  
I m a world away from all awareness of pain  
         **Em**      **D**              **C**  
I m in an everlasting night.

**G**              **D**              **C**  
I wanna live for one more day  
         **Em**              **D**      **C**  
Even if everything s not ok  
         **G**                      **D**              **C**  
I ll wake up and smile, be happy for a while  
         **Em**              **D**      **C**  
Not gonna throw this life away.
