Lose The Love - Jou Xiong

```
Misc Unsigned Bands
Verse 1:
you re walking away; is this really what you want
look at me in the eye before you leave
                                                    Em
im gonna tell you this one last time, so hear me out
                                \mathbf{Am}(2x)
                        D
i m gonna give you everything i have
                            Am
                D
you said that i wasn t your type; what is your type
                           \mathbf{Am}(2\mathbf{x})
did i not give you enough love
chorus:
                           Am
                   D
you just couldn t handle me i assume
i was willing to give it all up to you
you re choosing to lose the love, i m fine with it,
                          Am
just making sure you are sure with what you choose
verse 2:
i hope you good luck
                          Em
finding a girl who will put up with you
your constant complaint about your life
                                    Am
                                                                 Em
i ll still be your friend and as a friend im gonna to tell you this
                                    Am (2x)
your not the only one who s going through it all
so i m hoping you ll be strong in every way
i won t have time to listen to the same story)
```

(Chorus)
