

Lotus Child - Lids
Misc Unsigned Bands

Hey UGers, I haven't been on my account in forever.
So I decided to post some chords.
I couldn't find the chords to this song anywhere else on the internet, so I
decided I'd figure them out on my own.
Here they are.

Lotus Child - Lids
[Intro]
Em Bm C G Am Bm

and then...

Em **Bm**
Lids, they're found in magazines
C **G**
They hang like guillotines
Am **Bm**
Daunting over perfect scenes
Em **Bm**
Poised above my head
Em **Bm**
Lids they act like autumn leaves
C **G**
They'll bring you in a breeze
Am **Bm**
Painted nails on broken feet
Em **Bm**
Strangle every step

[CHORUS]

Em
Just, just don't jump
Bm
Too high
C **G**
Frail girl
Am
It's not your place
Bm
To look,
Em **Bm**
For more than this.
(x2)

Second Ending

N.C.

More than this.

Same progressionâ€¦

Lids they re sewn into your clothes
They never decompose
Picked apart by worms and crows
Only tags remain
Swimming in your blood they seize
The possibilities
All these years your feet were knees
Darling if you please

[CHORUS]

[Bridge]

Em **Bm**
Lids over my ears
 C
Over my eyes
 G
Over my pots and pans
Am **Bm**
Bring me to a boil
Em **Bm**
Lids over my ears
 C
Over my eyes
 G
Over my pots and pans
Am **Bm**
Bring me to a boil
Em **Bm**
Lids over my ears
 C
Over my eyes
 G
Over my pots and pans
Em **Bm**
Bring me to a boil

CHORUS + Ohhhhhhhhhhhhhohhhh woahhhh ohhhhhh ohhhhhh!
