

**Lou Fellingham - Down Into Darkness**

**Misc Unsigned Bands**

This is the first time I have done this, hope it works.

Do it in either Capo 5(C)or Capo 3(A).

If you were playing along with the song it s on capo 1 but for me this is a little to low.

The G chord and the B/F# in the verses is more a bassy thump than the whole chord.

I have led this one during worship and it was great.

Great worship time with the holy, holy s and the worthy, worthy s.

Hope you enjoy.
