**A**                    **Bm**                    **Dm**                    **A**  
Hearts gone astray leaving hurt where they go.  
                  **Bm**                    **Dm**                    **A**  
I went away, just when you, needed me so.  
                  **Bm**                    **Dm**                    **A**  
Filled with regret, I came back beggin you...  
                  **Bm**                    **Dm**                    **F#m B**  
won't you forget, welcome love we once knew?

#1.

**E**                    **B**                    **A**  
Open up your eyes, then you'll realize,  
                  **F#m B E**  
here I stand with my, everlasting love.  
                  **B**                    **A**  
Need you by my side, girl to be my bride,  
                  **F#m B E**  
you'll never be denied, everlasting love.  
                  **B**                    **A**  
From the very start, open up your heart,  
                  **F#m B E**  
be a lasting part of everlasting love.

#2.

**E**                    **B**                    **A**  
Where life really flows, no one really knows.  
                  **F#m B E**  
Till someone's there to show, the way to lasting love.  
                  **B**                    **A**  
Like the sun that shines, endlessly it shines,  
                  **F#m B E**  
you always will be mine, it's eternal love.  
                  **B**                    **A**  
When other loves are gone, ours would still be strong..  
                  **F#m B E**  
we'll have our very own, everlasting love.
