[Verse 1]

On the first page of a story
the future seemed so bright
then this thing turned out so evil
I don t know why I m still surprised
even angels have their wicked schemes
and you take that to new extremes
but you ll always be my hero
even though you ve lost your mind

[Chorus]

Just gonna stand there and watch me burn
but that s all right because I like the way it hurts
I need a doctor
call me a doctor
I need a doctor, doctor

[Verse 2]

to bring me back to...Now there s gravel in our voices
glass is shattered from the fight
in this tug of war, you ll always win
even when I m right
cause you feed me fables from your hand
with violent words and empty threats

Em **C**
and it s sick that all these battles
G **D**
are what keeps me satisfied
