

**Love Wont Save Me**  
**Misc Unsigned Bands**

**Am**

I have loved,

**F**

was I wrong,

**C**

do I stand,

**G**

where I fall.

**Am**

did she kill

**F**

what was me

**C**

why did i beg

**G**

on my knees

**Am**

why do I stand

**F**

on this ground

**C**

where i cried

**G**

long ago

**Am**

if she was

**F**

in my arms

**C**

would it be

**G**

a sin to love

**Am F C G**

**Am**

as i stare

**F**

down the gun

**C**

a picture of her forms

**G**

in my mind

**Am**

where i lay

**F**

on the ground

**C**  
as i cry

**G**  
as i cry

N/C  
you got me

**Am**  
heartbroken

**F**  
im afraid

**C**  
and love won t

**G**  
save me.

**Am**  
heartbroken

**F**  
why did you lie

**C**  
love won t

**G**  
save me this time.

(Same as rest of song)

i sing these songs  
so they make me believe  
i am better than what  
you made me  
im a king  
of my land  
without love  
she deserts me  
wasn t i good enough  
to make you happy  
did i make you  
cry  
did i waste  
all my time  
fighting for what  
will never be mine

you got me  
heartbroken  
im afraid  
and love won t  
save me.  
heartbroken  
why did you lie  
love won t  
save me this time.

so i sleep  
love wont wake me  
cause im bleeding  
from the heart

you got me  
heartbroken  
im afraid  
and love won t  
save me.  
heartbroken  
why did you lie  
love won t  
save me this time.
