

Lowkey - Long Live Palestine

Misc Unsigned Bands

Don't think there's any guitar on this track but this seems to be the chord progression comments or corrections welcome.

It's basically

Am G Am Em
Am G Am* Em* Am

with each chord playing for half a line except the *ed chords which play for half the time of the other chords. To make things easier (maybe) I've put the chords in roughly the right place for every section.

I found it sounded better playing standard chord shapes at the nut rather than barre chords, but I leave it to your judgement.

Am G
This is for Palestine, Ramallah, West Bank, Gaza
Am Em
This is for the child that is searching for the answer
Am G
I wish I could take your tears and replace them with laughter
Am Em Am
Long live Palestine, Long live Gaza!

Am G
While we listen to tunes, made by ignorant fools
Am Em
Israel blocked the UN from delivering food
Am G
They'll bring in the troops and you won't even glimpse at the news
Am Em Am
They make money of the products that we are quick to consume...

Am G Am Em
Free my people, long live Palestine
Am G Am Em Am
We will never let you go...

Am G
Free Free Palestine, Free Free Palestine
Am Em
Free Free Palestine, Free Free Palestine
Am G
Free Free Palestine, Free Free Palestine
Am Em Am
Free Free Palestine, Free Free Palestine...
