You think you know someone but you, donâ€™t.
Holding out for some one there, not here.
Missing her, missing him, he does not.
Killing yourself because of him, he walks away.

BRIDGE

D C G D

Is it all worth his price, seeâ€™m go by,
Is it all worth your life, whatâ€™s your reply?

CHORUS

G A D G

Donâ€™t ever give it up, never forsake your beloved,
Choice to win her back, your own it is to make.

G A G D

Love may be a venom gift, and youâ€™re the cure.

You think you knew someone but you, never did
Listening for someoneâ€™s voice, nothing but the wind.
searching her, searching him, vanished in mind.
Crying for her, suffer for him, she stares.
