C Am

I never saw a reflection more true

F G

before the day I saw myself in you

a love, separated by miles of  $\operatorname{sea}$ 

F

call it long-distance

G

but we call it a new journey.

F

and now I'm watching you, watching me

I'd forgotten how happy we'd looked.

Fm

I'd forgotten how happy we'd looked.

C Am

I never heard your voice clearer

l .

before I read the lipstick on the mirror

C Ar

a smudge, in fade-resistant pink

F

call it eternity

G

but it felt like a blink.

F

and now  $\hat{\text{la}} \in \mathbb{M}_m$  watching you, watching me

C

from beyond places that I believe in

F

and as I hear your way with words

I lose where mine have been
