

Luke Conard - Mirror Song
Misc Unsigned Bands

C# **Bbm**
I never saw a reflection more true
F# **G#**
before the day I saw myself in you
C# **Bbm**
a love, separated by miles of sea
F#
call it long-distance
G#
but we call it a new journey.

F#
and now Iâ€™m watching you, watching me
C# **G#**
from beyond places that I believe in
F#
and as I hear your way with words
C# **G#**
I lose where mine have been
F#
its like every page we took
C# **G#**
was from a fairy tale picture bookâ€|

F#
Iâ€™d forgotten how happy weâ€™d looked.

F#m
Iâ€™d forgotten how happy weâ€™d looked.

C# **Bbm**
I never heard your voice clearer
F# **G#**
before I read the lipstick on the mirror
C# **Bbm**
a smudge, in fade-resistant pink
F#
call it eternity
G#
but it felt like a blink.

F#

and now Iâ€™m watching you, watching me
