

Luke Conard - Mirror Song

Misc Unsigned Bands

Bb **Gm**
I never saw a reflection more true
Eb **F**
before the day I saw myself in you
Bb **Gm**
a love, separated by miles of sea
Eb
call it long-distance
F
but we call it a new journey.

Eb
and now Iâ€™m watching you, watching me
Bb **F**
from beyond places that I believe in
Eb
and as I hear your way with words
Bb **F**
I lose where mine have been
Eb
its like every page we took
Bb **F**
was from a fairy tale picture bookâ€|

Eb
Iâ€™d forgotten how happy weâ€™d looked.

Ebm
Iâ€™d forgotten how happy weâ€™d looked.

Bb **Gm**
I never heard your voice clearer
Eb **F**
before I read the lipstick on the mirror
Bb **Gm**
a smudge, in fade-resistant pink
Eb
call it eternity
F
but it felt like a blink.

Eb

and now Iâ€™m watching you, watching me
