

Luke Conard - Mirror Song
Misc Unsigned Bands

B **G#m**
I never saw a reflection more true
E **F#**
before the day I saw myself in you
B **G#m**
a love, separated by miles of sea
E
call it long-distance
F#
but we call it a new journey.

E
and now Iâ€™m watching you, watching me
B **F#**
from beyond places that I believe in
E
and as I hear your way with words
B **F#**
I lose where mine have been
E
its like every page we took
B **F#**
was from a fairy tale picture bookâ€|

E
Iâ€™d forgotten how happy weâ€™d looked.

Em
Iâ€™d forgotten how happy weâ€™d looked.

B **G#m**
I never heard your voice clearer
E **F#**
before I read the lipstick on the mirror
B **G#m**
a smudge, in fade-resistant pink
E
call it eternity
F#
but it felt like a blink.

E

and now Iâ€™m watching you, watching me
