

Luke Conard - Mirror Song
Misc Unsigned Bands

D **Bm**
I never saw a reflection more true
G **A**
before the day I saw myself in you
D **Bm**
a love, separated by miles of sea
G
call it long-distance
A
but we call it a new journey.

G
and now Iâ€™m watching you, watching me
D **A**
from beyond places that I believe in
G
and as I hear your way with words
D **A**
I lose where mine have been
G
its like every page we took
D **A**
was from a fairy tale picture bookâ€|

G
Iâ€™d forgotten how happy weâ€™d looked.

Gm
Iâ€™d forgotten how happy weâ€™d looked.

D **Bm**
I never heard your voice clearer
G **A**
before I read the lipstick on the mirror
D **Bm**
a smudge, in fade-resistant pink
G
call it eternity
A
but it felt like a blink.

G

and now Iâ€™m watching you, watching me
