This chord sheet was created by Tyler Stoney Song originally played and sung by Carole and Paula End theme to the Magic Garden tv show

Sorry if it s not perfect, but it sounds good! I created this for my English teacher, who plays this song (from a video) almost every day at the end of class.

C G7 C

see ya, (See ya!) Hope you had a good, good time.(da dum)

G7 Am C

Hope you had a good good morning, to ya!

G7 C

Hope we get to see you again!

(And the song repeats with the same chord progression)
