I was lonesome waiting for you
Cathinnig every song and tune

Never felt to far away
Never felt you anyway

Someone may tell you someday
Tell you get the fuck back in to line

Fumble stumble fall a part
Break take up all your time
Fake break steal and lie
Rise up get up from the start... and fight

First time second and the rest
Let the last one be the best
I m tired o so tired
But I get up from the bed ...and fight

This is my own song, I hope you enjoy it
