G D Em C X2

G D Em C  
Well I know there s lots of kinds of love in the world  
G D Em C  
and they re not all romantic and not all for boys and girls  
G D Em C  
but what we have doesn t have strict definition  
G D Em C  
because I love you just as much as I hate my college tuition  
G D Em C  
and we re basically like dating but without all the romance  
G D Em C  
don t get me wrong, I think you re pretty, but I don t want in your pants  
G  
it s just that  
D Em C  
I m in best friend love with you  
G D Em C  
so I wrote this song for you  
G D Em C  
And I know you think it s weird, it s true  
G D Em C  
but I m in best friend love with you  
G D Em C  
and I think we should go all the way  
G D Em C  
in the 100% friendzoned way  
G D Em C  
and I can t get you out of my head  
G D Em C  
and as long as we re in separate beds  
G D Em C G D Em C  
I wouldn t mind spending the rest of my life with you  
G D Em C  
like maybe we would work if we re single and were gay  
G D Em C  
but what I m really trying to say  
G D Em C  
is I don t love you like Shang loved Mulan  
G D Em C  
you re more like the Robin Hood to my Little John  
G D Em C  
and I love you like autotune loves T-Pain  
G D Em C  
like a prostitute loves crack cocaine  
G D Em C
