After all when you discuss us
C (bridge it over to the next by strumming a Loose)
I am the last name you recall
G **Em**
So he might sell a few more comics
C
As soberly he saves the world

I ve had seven gin and tonics

I could take you to Atlantis
G **B** **C** **D**

Verse 2 follows Verse 1

Have you ever had the notion
That he s just a rat with wings
I m the king of 7 oceans
And Vicci You re my everything

Barring maritime disasters
I have got some time to spare
While he s all tied up with Robin
In a cape and underwear

Chorus

Chorus 2 follows Chorus 1x2

I could take you to Atlantis
It makes that cave look like a hole
Tie one on on the Titanic
Vicci Vale my heart you stole

If you see it with objective
He is just Bruce Wayne in tights
You could be a bit selective
And have free seafood every night

Bridge

(Do Barre Chords here and strum it slowly)

C

Well, I could understand

G

If he were Superman

C

After all that cat can fly

(Back to normal chords)

B

But take away that Batmobile

C

That boat, that belt, that butler

A

D-C-B-A (fingerplay again)

He s just another boring guy

Chorus 3 follows chorus 1

I could take you to Atlantis
It makes that cave look like a hole
Tie one on on the Titanic
Vicci Vale my heart you stole

If you look at it from my side
Of the heros that you ve met
He s a bit more on the dry side
Everything s better when wet

End on **G**
