G

I ve heard of legends,

C G

From days gone by,

G

And when people speak of them,

D

You see a sparkle in their eye.

C

But it the times that we live in,

G

People come from near and far,

EM

To see one of the greatest,

D

G

His name is Kauto Star.

G, C, G, EM, D, G.

G

The best chaser in the world,

C

G

As he jumps and as he stays,

G

Dominating all divisions,

D

And all others at the grade.

C

And on those golden days in March,

G

He came storming up the hill,

EM

Winning two Gold Cups impressively,

D

G

Giving racing such a thrill.

G

And they re talking in the streets,

C **G**
And they re talking in the bar,
 EM
But you ll never see the like of,
 D **G**
Ruby Walsh and Kauto Star.

G
They re talking in the streets,
 C **G**
And they re talking in the bar,
 EM
But you ll never see the like of,
 D **G**
Ruby Walsh and Kauto Star.

G
Last year s racing season,
 C **G**
Was not to be his time,
G
Third at Kempton and Cheltenham,
 D
And pulled up in the Emerald Isle.

C
And some said after that year,
 G
It was time to then retire,
 EM
But Ruby, Paul and Clive,
 D **G**
Knew that to run was his desire.

G
So on a clear November Saturday,
 C **G**
On the turf at Haydock Park,
G
Thousands they gathered,
 D
With their hats, badges and scarves.

C
Kauto versus Long Run,
 G
A close match up to be,
 EM
But it was Ruby who came out on top,
 D **G**
And went down in history.

G

And they re talking in the streets,

C G

And they re talking in the bar,

EM

But you ll never see the like of,

D G

Ruby Walsh and Kauto Star.

G

They re talking in the streets,

C G

And they re talking in the bar,

EM

But you ll never see the like of,

D G

Ruby Walsh and Kauto Star.

G

Christmas time at Kempton,

C G

Was the next chapter to be,

G

The drive for five King Georges,

D

And a place in history.

C

And as Kauto led them round the bend,

G

The festive crowd did roar,

EM

Long Run came and joined him,

D

But the old boy,

He found more...

G

And they re talking in the streets,

C G

And they re talking in the bar,

EM

But you ll never see the like of,

D G

Ruby Walsh and Kauto Star.

G

They re talking in the streets,

C **G**
And they re talking in the bar,
 EM
But you ll never see the like of,
 D **G**
Ruby Walsh and Kauto Star.

G
Kauto,
C **D**
Kauto Star.

G
Oh yeah Kauto,
C **D**
Kauto Star.

G
When that day comes when it s over,
 C **G**
We ll only then realise,
 G
How privelleged we have been,
 D
To have the star shine in our eyes.

C
So cheer him home all the way,
 G
Up the hill so straight and long,
 EM
And we ll raise a glass to Kauto,
 D
And together, we ll sing along.

G
Cause they re talking in the streets,
 C **G**
And they re talking in the bar,
 EM
But you ll never see the like of,
 D **G**
Ruby Walsh and Kauto Star.

G
They re talking in the streets,
 C **G**
And they re talking in the bar,

EM

But you ll never see the like of,

D

Ruby Walsh...

G

And Kauto Star.
