G#

I ve heard of legends,

C# G#

From days gone by,

G#

And when people speak of them,

Eb

You see a sparkle in their eye.

C#

But it the times that we live in,

G#

People come from near and far,

FM

To see one of the greatest,

Eb

G#

His name is Kauto Star.

G#, C#, G#, FM, Eb, G#.

G#

The best chaser in the world,

C# G#

As he jumps and as he stays,

G#

Dominating all divisions,

Eb

And all others at the grade.

C#

And on those golden days in March,

G#

He came storming up the hill,

FM

Winning two Gold Cups impressively,

Eb

G#

Giving racing such a thrill.

G#

And they re talking in the streets,

C# **G#**
And they re talking in the bar,
FM
But you ll never see the like of,
Eb **G#**
Ruby Walsh and Kauto Star.

G#
They re talking in the streets,
C# **G#**
And they re talking in the bar,
FM
But you ll never see the like of,
Eb **G#**
Ruby Walsh and Kauto Star.

G#
Last year s racing season,
C# **G#**
Was not to be his time,
G#
Third at Kempton and Cheltenham,
Eb
And pulled up in the Emerald Isle.

C#
And some said after that year,
G#
It was time to then retire,
FM
But Ruby, Paul and Clive,
Eb **G#**
Knew that to run was his desire.

G#
So on a clear November Saturday,
C# **G#**
On the turf at Haydock Park,
G#
Thousands they gathered,
Eb
With their hats, badges and scarves.

C#
Kauto versus Long Run,
G#
A close match up to be,
FM
But it was Ruby who came out on top,
Eb **G#**
And went down in history.

G#

And they re talking in the streets,

C#

G#

And they re talking in the bar,

FM

But you ll never see the like of,

Eb

G#

Ruby Walsh and Kauto Star.

G#

They re talking in the streets,

C#

G#

And they re talking in the bar,

FM

But you ll never see the like of,

Eb

G#

Ruby Walsh and Kauto Star.

G#

Christmas time at Kempton,

C#

G#

Was the next chapter to be,

G#

The drive for five King Georges,

Eb

And a place in history.

C#

And as Kauto led them round the bend,

G#

The festive crowd did roar,

FM

Long Run came and joined him,

Eb

But the old boy,

He found more...

G#

And they re talking in the streets,

C#

G#

And they re talking in the bar,

FM

But you ll never see the like of,

Eb

G#

Ruby Walsh and Kauto Star.

G#

They re talking in the streets,

C# **G#**
And they re talking in the bar,
FM
But you ll never see the like of,
Eb **G#**
Ruby Walsh and Kauto Star.

G#
Kauto,
C# **Eb**
Kauto Star.

G#
Oh yeah Kauto,
C# **Eb**
Kauto Star.

G#
When that day comes when it s over,
C# **G#**
We ll only then realise,
G#
How privelleged we have been,
Eb
To have the star shine in our eyes.

C#
So cheer him home all the way,
G#
Up the hill so straight and long,
FM
And we ll raise a glass to Kauto,
Eb
And together, we ll sing along.

G#
Cause they re talking in the streets,
C# **G#**
And they re talking in the bar,
FM
But you ll never see the like of,
Eb **G#**
Ruby Walsh and Kauto Star.

G#
They re talking in the streets,
C# **G#**
And they re talking in the bar,

FM

But you ll never see the like of,

E♭

Ruby Walsh...

G#

And Kauto Star.
