**F**

I ve heard of legends,

**Bb F**

From days gone by,

**F**

And when people speak of them,

**C**

You see a sparkle in their eye.

**Bb**

But it the times that we live in,

**F**

People come from near and far,

**DM**

To see one of the greatest,

**C**

**F**

His name is Kauto Star.

**F, Bb, F, DM, C, F.**

**F**

The best chaser in the world,

**Bb F**

As he jumps and as he stays,

**F**

Dominating all divisions,

**C**

And all others at the grade.

**Bb**

And on those golden days in March,

**F**

He came storming up the hill,

**DM**

Winning two Gold Cups impressively,

**C**

**F**

Giving racing such a thrill.

**F**

And they re talking in the streets,

**Bb F**  
And they re talking in the bar,  
**DM**  
But you ll never see the like of,  
**C F**  
Ruby Walsh and Kauto Star.

**F**  
They re talking in the streets,  
**Bb F**  
And they re talking in the bar,  
**DM**  
But you ll never see the like of,  
**C F**  
Ruby Walsh and Kauto Star.

**F**  
Last year s racing season,  
**Bb F**  
Was not to be his time,  
**F**  
Third at Kempton and Cheltenham,  
**C**  
And pulled up in the Emerald Isle.

**Bb**  
And some said after that year,  
**F**  
It was time to then retire,  
**DM**  
But Ruby, Paul and Clive,  
**C F**  
Knew that to run was his desire.

**F**  
So on a clear November Saturday,  
**Bb F**  
On the turf at Haydock Park,  
**F**  
Thousands they gathered,  
**C**  
With their hats, badges and scarves.

**Bb**  
Kauto versus Long Run,  
**F**  
A close match up to be,  
**DM**  
But it was Ruby who came out on top,  
**C F**  
And went down in history.

**F**

And they re talking in the streets,

**Bb**

**F**

And they re talking in the bar,

**DM**

But you ll never see the like of,

**C**

**F**

Ruby Walsh and Kauto Star.

**F**

They re talking in the streets,

**Bb**

**F**

And they re talking in the bar,

**DM**

But you ll never see the like of,

**C**

**F**

Ruby Walsh and Kauto Star.

**F**

Christmas time at Kempton,

**Bb**

**F**

Was the next chapter to be,

**F**

The drive for five King Georges,

**C**

And a place in history.

**Bb**

And as Kauto led them round the bend,

**F**

The festive crowd did roar,

**DM**

Long Run came and joined him,

**C**

But the old boy,

He found more...

**F**

And they re talking in the streets,

**Bb**

**F**

And they re talking in the bar,

**DM**

But you ll never see the like of,

**C**

**F**

Ruby Walsh and Kauto Star.

**F**

They re talking in the streets,

**Bb** **F**  
And they re talking in the bar,  
**DM**  
But you ll never see the like of,  
**C** **F**  
Ruby Walsh and Kauto Star.

**F**  
Kauto,  
**Bb** **C**  
Kauto Star.

**F**  
Oh yeah Kauto,  
**Bb** **C**  
Kauto Star.

**F**  
When that day comes when it s over,  
**Bb** **F**  
We ll only then realise,  
**F**  
How privelleged we have been,  
**C**  
To have the star shine in our eyes.

**Bb**  
So cheer him home all the way,  
**F**  
Up the hill so straight and long,  
**DM**  
And we ll raise a glass to Kauto,  
**C**  
And together, we ll sing along.

**F**  
Cause they re talking in the streets,  
**Bb** **F**  
And they re talking in the bar,  
**DM**  
But you ll never see the like of,  
**C** **F**  
Ruby Walsh and Kauto Star.

**F**  
They re talking in the streets,  
**Bb** **F**  
And they re talking in the bar,

**DM**

But you ll never see the like of,

**C**

Ruby Walsh...

**F**

And Kauto Star.
