A

I ve heard of legends,

D A

From days gone by,

A

And when people speak of them,

E

You see a sparkle in their eye.

D

But it the times that we live in,

A

People come from near and far,

F#M

To see one of the greatest,

E

A

His name is Kauto Star.

A, D, A, F#M, E, A.

A

The best chaser in the world,

D A

As he jumps and as he stays,

A

Dominating all divisions,

E

And all others at the grade.

D

And on those golden days in March,

A

He came storming up the hill,

F#M

Winning two Gold Cups impressively,

E

A

Giving racing such a thrill.

A

And they re talking in the streets,

D **A**
And they re talking in the bar,
F#M
But you ll never see the like of,
E **A**
Ruby Walsh and Kauto Star.

A
They re talking in the streets,
D **A**
And they re talking in the bar,
F#M
But you ll never see the like of,
E **A**
Ruby Walsh and Kauto Star.

A
Last year s racing season,
D **A**
Was not to be his time,
A
Third at Kempton and Cheltenham,
E
And pulled up in the Emerald Isle.

D
And some said after that year,
A
It was time to then retire,
F#M
But Ruby, Paul and Clive,
E **A**
Knew that to run was his desire.

A
So on a clear November Saturday,
D **A**
On the turf at Haydock Park,
A
Thousands they gathered,
E
With their hats, badges and scarves.

D
Kauto versus Long Run,
A
A close match up to be,
F#M
But it was Ruby who came out on top,
E **A**
And went down in history.

A

And they re talking in the streets,

D

A

And they re talking in the bar,

F#M

But you ll never see the like of,

E

A

Ruby Walsh and Kauto Star.

A

They re talking in the streets,

D

A

And they re talking in the bar,

F#M

But you ll never see the like of,

E

A

Ruby Walsh and Kauto Star.

A

Christmas time at Kempton,

D

A

Was the next chapter to be,

A

The drive for five King Georges,

E

And a place in history.

D

And as Kauto led them round the bend,

A

The festive crowd did roar,

F#M

Long Run came and joined him,

E

But the old boy,

He found more...

A

And they re talking in the streets,

D

A

And they re talking in the bar,

F#M

But you ll never see the like of,

E

A

Ruby Walsh and Kauto Star.

A

They re talking in the streets,

D **A**
And they re talking in the bar,
 F#M
But you ll never see the like of,
 E **A**
Ruby Walsh and Kauto Star.

A
Kauto,
D **E**
Kauto Star.

A
Oh yeah Kauto,
D **E**
Kauto Star.

A
When that day comes when it s over,
 D **A**
We ll only then realise,
 A
How privelleged we have been,
 E
To have the star shine in our eyes.

D
So cheer him home all the way,
 A
Up the hill so straight and long,
 F#M
And we ll raise a glass to Kauto,
 E
And together, we ll sing along.

A
Cause they re talking in the streets,
 D **A**
And they re talking in the bar,
 F#M
But you ll never see the like of,
 E **A**
Ruby Walsh and Kauto Star.

A
They re talking in the streets,
 D **A**
And they re talking in the bar,

F#M

But you ll never see the like of,

E

Ruby Walsh...

A

And Kauto Star.
