(intro piano)

A

I am your emergency

Break down the front door for me

G

Think about my perfect life

With the windows down I am driving

A

To a red suburban house

Round ocean floating on a memory

G

Of a time when life was green

C

Reality is just a dream

C

I want to build your sunshine

D

And operate your breathing

A

Electric, electric

C

The frequency in coming

D

You feel the pulse of my car

A

Electric, electric

A

I will come and rescue you

In perfect silence we re talking

G

Imagine I am the pilot

Blue skies will always remind me

A

Of a letter that you wrote

I fold into a paper plane

G

Unfold the love that is flying

C

Reality is just a dream

C

I want to build your sunshine

D

And operate your breathing

A

Electric, electric

C

The frequency in coming

D

You feel the pulse of my car

A

Electric, electric

C

My battery is a child

D

My love in never ending

A

Electric, electric

C

I am communication

D

I found my destination
