(intro piano)

F#

I am your emergency

Break down the front door for me

E

Think about my perfect life

With the windows down I am driving

F#

To a red suburban house

Round ocean floating on a memory

E

Of a time when life was green

A

Reality is just a dream

A

I want to build your sunshine

B

And operate your breathing

F#

Electric, electric

A

The frequency in coming

B

You feel the pulse of my car

F#

Electric, electric

F#

I will come and rescue you

In perfect silence we re talking

E

Imagine I am the pilot

Blue skies will always remind me

F#

Of a letter that you wrote

I fold into a paper plane

E

Unfold the love that is flying

A

Reality is just a dream

A

I want to build your sunshine

B

And operate your breathing

F#

Electric, electric

A

The frequency in coming

B

You feel the pulse of my car

F#

Electric, electric

A

My battery is a child

B

My love in never ending

F#

Electric, electric

A

I am communication

B

I found my destination
