(intro piano)

Bb

I am your emergency

Break down the front door for me

G#

Think about my perfect life

With the windows down I am driving

Bb

To a red suburban house

Round ocean floating on a memory

G#

Of a time when life was green

C#

Reality is just a dream

C#

I want to build your sunshine

Eb

And operate your breathing

Bb

Electric, electric

C#

The frequency in coming

Eb

You feel the pulse of my car

Bb

Electric, electric

Bb

I will come and rescue you

In perfect silence we re talking

G#

Imagine I am the pilot

Blue skies will always remind me

Bb

Of a letter that you wrote

I fold into a paper plane

G#

Unfold the love that is flying

C#

Reality is just a dream

C#

I want to build your sunshine

Eb

And operate your breathing

Bb

Electric, electric

C#

The frequency in coming

Eb

You feel the pulse of my car

Bb

Electric, electric

C#

My battery is a child

Eb

My love in never ending

Bb

Electric, electric

C#

I am communication

Eb

I found my destination
