I do when its forever

and I could post pictures like you hurt me
And throw my weight about
Kick and scream and shout
But the words are never gonna come out

Verse 2

I can t grow up like you tell me
Since I don t believe we do
Our bodies, our heads get bigger
and hearts shot by people like you

Two letters I ll be yours again
Happens every single month
I can relate, like you re a soulmate,
But words somebody made don t make this fun

See then I leave again
Why am I leaving?

CHORUS

A# F Am C

I m not guilty
You re not guilty
Feelings fill me
Can t you hear my heart

Whatever I said
Playing in my head
I m still clueless
But you know don t you

CHORUS
