CAPO 3

(Verse)

**G** **Dsus4/F#**  
I walked home in the cold again last night,  
**Em7** **Dsus4/F#** **Csus2**  
Cause I would rather sleep alone than by your side.  
**G** **Dsus4/F#**  
And I thought this rain would stop but now I ll never mend,  
**Em7** **Dsus4/F#** **Csus2**  
It s just my second guessing habits never end.

(Chorus)

**Em7** **Dsus4/F#** **Csus2** **G**  
And if I die tonight, well I guess that s alright.  
**Em7** **Dsus4/F#** **Csus2**  
Cause the world s asleep while I m just wasting time.  
**Em7** **Dsus4/F#** **Csus2** **G**  
And if I would die tonight, well I guess that would be fine.  
**Em7** **Dsus4/F#** **Csus2**  
I got plenty of things that I would set aside.

(Verse)

**G** **Dsus4/F#**  
I woke up at 2am last night,  
**Em7** **Dsus4/F#** **Csus2**  
Thought about these past few years and how I act like I m alright.  
**G** **Dsus4/F#**  
And I ve got this pain inside my head that I can t shake.  
**Em7** **Dsus4/F#** **Csus2**  
I lay awake for hours, sing to get away.

(Chorus)

**Em7** **Dsus 4/F#** **Csus2** **G**  
And if I die tonight, well I guess that s alright.  
**Em7** **Dsus4/F#** **Csus2**  
Cause the world s asleep while I m just wasting time.  
**Em7** **Dsus4/F#** **Csus2** **G**  
And if I would die tonight, well I guess that would be fine.  
**Em7** **Dsus4/F#** **Csus2**  
I got plenty of things that I would set aside.

(Guitar Solo over Verse Chords)
